

2010 Candidate Questionnaire

The Michigan McDonald's Government Association represents Michigan's McDonald's owners who currently operate over 500 restaurants statewide, and employ over 32,000 Michigan citizens. Working closely with the McDonald's Corporation, Michigan operators pay millions of dollars in state and local taxes, and are leaders in their local communities.

Candidate Survey Questions

1. What changes would you make in business taxes, including the MBT surcharge?

Comments: Significantly reduce or preferably eliminate the MBT + its surcharge.

2. Would you support specific tax increases on such items as soft drinks or bottled water in order to fund targeted state services?

Yes No 1. I don't like tax increases
2. I don't like dedicated fund revenues

3. Do you support expanding the current Michigan .10 cent deposit on carbonated beverages to include bottled water?

Yes No

4. Should the current Michigan minimum wage be higher than the federal level?

Yes No !!

5. Would you support an expansion of Unemployment Insurance benefits if employers would have to pay the additional costs?

Yes No
